## International Congress on Humanity

**16-18 January 2025, Ankara/Türkiye**

Organized by Journal JOSE, UTAMER – The Center for International Community Research and Zo Humanities and Social Sciences Research Hub OPC Private Limited

### Theme: Human, Humanity, Communication

The current shift in conventional concepts about humans and humanity, along with the evolving nature of communication in this context, is the central focus of our upcoming congress.

Our themes include human, humanity and communication. We eagerly await studies from all kinds of scientific disciplines, provided that they are compatible with our congress themes.

### Key Dates:

- Abstract Submission Deadline: December 15, 2025
- Congress Program Announcement: January 10, 2026
- Full Text Submission Deadline: January 15, 2026

## Congress Overview

The main purpose of this symposium is to bring together scientists from all of the world and provide them with a platform to exchange information and ideas. We also aim to promote the growth and awareness of young researchers.

All accepted abstracts will be published in the Symposium Proceedings Book with ISBN and authors can choose to submit their full articles to peer-reviewed journals such as [Journal JOSE](#) or [ESAR Journal](#).

## Congress Fees

**For Online Participation: 40 \$**

**For In-person Participation: 120 \$**

The Symposium Participation Fee is requested for the general expenses of the symposium (indexing, typesetting and all editorial work). For face-to-face participation, it is also requested for the symposium venue and stationery expenses.

### **Services included in the fee for Online Participation:**

ISBN Symposium Book (pdf)

Participation Certificate (pdf)

Zoom connection

The right to participate in all online sessions as a listener

(All participants can present a maximum of two papers.)

Publication process assistance to contracted journals (each journal follows its own publication process.)

### **Services included in the fee for In-person Participation:**
